Do you take medication? Self Help.

What do you foresee happening if one partner ends up dissatisfied? The Mighty Toddler. Packed with fun and informative questions covering pregnancy through pre-school and beyond, Questions to Ask Before Having a Baby, by best selling author Monica Mendez Leahy, puts down the pacifier and tackles the concerns at the top of most parents' minds, including: -How will a baby change your relationship with your partner? It's more something that you peruse the topics that are most pertinent to you.

How much influenced do your parents still have over your decisions? I also have a friend who left his partner when they found out she couldn't have children and he realised that he didn't want a partner he just wanted kids. Do you think of your home as a cocoon, or is your door always open?
