Critical studies of his work have focused on his indispensable contribution to children's literature and the universal appeal of the fairy tale form. The narratives of Perrault have been so enormously popular in the English language that they have become accepted as native English stories, perhaps replacing similar ones in oral tradition. Bluebeard 4.

He kept on until the 19th century, specialising in children's books. He also based some of his stories on folk tales. Very few scholars have disputed that Perrault did not tell anything but the truth in these affirmations. Riquet the Tufted pp.

How to write a great review Do say what you liked best and least Describe the author's style and the characters were Take note that this is Cinderella and not Cinderella.
