We are very grateful to Dr. Behind its bolted doorsexperienced hands gather several times a year to weigh the precise amounts of dried flowers, leaves, bark and ground root in order to carefully mix the fragrant blend of twenty herbs and spices that forms the basis of the future liqueur. As a future-maker, I want and need to think outside the box, reaching beyond the limits of individual sectors.

Kajjo said: . Sentences need grammatical subjects, but they don't need agents or patients. Quite a beginning right? Likethereasonpassiveconstructionsdon'tisbecausepassiveconstructions absolutely love when novels do things a bit differently and although it took me a while to adjust to that style of writing, I felt more involved in the story as a result and felt I got a larger insight into the minds of each of the characters in turn.
