Sins between people are considered much more severe in Judaism than sins between man and God. Since the destruction of the Temple in Jerusalem Jews have believed that right action as opposed to right belief is the way for a person to atone for one's sins.

The end is when the temptation leaves you and you are no longer tempted. For example, Read again the assurances of the Bible. Some sins are punishable with death by the court, others with death by heaven, others with lashes, and others without such punishment, but no sins committed with willful intentions go without consequence.

Yes, because it is only through those promises that deliverance can be accomplished. One man had committed a great sin for which he was sure God would never forgive him; the other was less worried, because he had never been guilty of anything so grave, but only of the normal collection of lesser sins.
