The Third Reich in History and Memory. Evans history, Cambridge Univ. What can I possibly say about Evans's collection of generally commonplace, often quite useful, and sometimes completely unexamined ideas?

Marxists are not the only ones to have had this aim, but they have been its most prominent. Having treated in his own first chapter everyone from Namier to Ranke as products of and sources for their own moment of existence, he then proceeds to lay In Defence Of History Keith Jenkins for suggesting that historians work might also be subject to scrutiny and reading with or against the grain by other historians, in much the same way as primary sources. It is difficult for any person, college student or otherwise, to be able to study history.
