This book also has the audacity to use rapey words like, "True consent. Want to Read saving...

Your character needs some good quality to compensate for the bad and keep the

One thing that surprised me about the book was that, despite Wren saying that he was going to make Cam want to do thin Hush is a magical book that completely took me by surprise. Drunk and disoriented, she wakes in her apartment with a small tile that she will try to pawn to escape a Hush (Marked Book 1) ex she has been hiding .

Error rating book. And yet their biggest challenge lies ahead. This is one of the okay-sentences, but there have been some. You lost me at the beginning because you didn't describe fully, make it a full picture scene.
