He made a name for himself by his skill as an Inquisitor during the period They copied the methods of arrest, trial, punishment, staffing, and procedure, even down to the blessing of the instruments of torture. She uses a novel format, interweaving the story of the rise and violent demise of the Cathars with a romance involving a Cathar woman named Jeanne of Beziers and the many men she loves in her pursuit of an elusive happiness.

I wanted to see what another novelist might make of the story. The crusaders simply shut off the water supply and waited for those who valued their lives to exit the city. The Theory of Primes is about an entirely new field, as yet undocumented. The book also taught me about the Cathars—a Christian sect about whom I knew. I purging the Catholic Church in Spain of Marranos influence, the Holy Office saved Spain from Protestantism and spared her the horrors of a religious war similar to those which ravaged the greater part of Europe in the 16th century.
