By way of delineating the former category, he cited several examples of circumstances in which the defence would not succeed: vizthe service of a subpoena on the accused by the deceased; [20] the making of an insolent facial gesture by the deceased; [21] and the taking of a wall by the deceased. It is a fundamental principle of the criminal law that it should be based on a generally accepted standard of conduct applicable to all citizen alike, and it is important that this principle should not be infringed. The argument that to secure a conviction under this statute the prosecution must prove that the shooter was positioned outside of the occupied vehicle is rejected.

See, e. Further, the defendant did not demonstrate an immediate, real threat. What I hope to highlight through this story is not so much the inconsistency of the feminist stance on SYG, as the difficulty in constructing a coherent legal reform agenda from individual cases. In a prosecution for making an unlawful communication with a child under this statute, the Commonwealth was not required to prove completion of taking indecent liberties. Roy L. In criminal law terms, self-defense is a justification. Miller; Karen M. Griffin, 62 Va.
