Normally this is not true but you do often wonder if there was more that you could have. She was so moody and quiet.

NickBsays: . He is really good at going potty outside on command except sometimes he goes in the house about mins after he has already been outside. September 12, at am. Hi i have 4 dogs 2 females 2 males unfortunately both my girls had contact with the boys so its unwanted pregnancy and i dont know what to do? I don't at this point plan on breeding. Minette Reply: June 5th, at am Give her something else to bite, so grab a toy and let her play.
