The meta-story is spinning out in a way hat feels like it might have been planned from the start, and the antagonists we get to kno I'm aware I like these books well beyond the level justified by the competent but pedestrian writing. I would recommend the series as an interesting read but only after some major series have already been checked off the bucket list. Oct 09, Arthur Zhang rated it really liked it. TheAutumnRepublic.Ireallywishtherewasanendgameinsight,somehintofa Skip to main content. Jax claims that the forces that destroyed everything Aral once held dear are on the move again, and she needs his help to stop .

By now, I feel like I've bonded with the characters and have learned more about character reemerges, and, while not portrayed as in depth as she was in Broken Blade, her personality is consistent. You can remove the unavailable items now or we'll automatically remove it at Checkout.
