Thanks for your comment. What he was instead is far more advantageous for the task of defending Christianity in the dawn of modernity: A devout Catholic and full believer of miracles.

Isthisathingtoassertgaily,andnotrathertosaysadlyasthesaddestthing Pascal also describes how our imagination distracts us from an

accurate view of our own reality. Copyright c by Gayle D. Finally, some people get a great deal of pleasure from the feeling that their particular brand of religion makes them better than . TimL. So the AA Wager proposes that the most positive outcomes are associated with behaviour, and are independent of belief as Pascal proposed. All our actions and thoughts must take such different courses, according as there are or are not eternal joys to hope for, that it is impossible to take one step with sense and judgment, unless we regulate our course by our view of this point which ought to be our ultimate end.
