Assessment of malingering on psychological measures; About the Author Gerald P. Interviewing Children's Caregivers; Carolyn S. Burlingame and Sean Woodland ; Important themes resonate throughout this volume related to the central role psychologists play in assessing, treating, and consulting to military personnel; the myriad ethical and professional dilemmas associated with working in military settings and ways to effectively manage such challenges; and the proliferation of theory, research, and state-of-the art practice that increasingly can guide psychologists' efforts in a Psychologists Desk Reference context. Pulier; Cognitive-Behavioural Therapies. Locations where this product is available This item is not currently in stock in Dymocks stores - contact your local store to order.
