Arnold and O. French is an official language in 29 countries across multiple different continents, [4] most of which are members of the Organisation internationale de la Francophonie OIFthe community of 84 countries which share the official use or teaching of French. It will also validate, as the Indians have done, the Gramscian injunction that "every trace of independent initiative on the part of subaltern groups should therefore be of incalculable value for the integral historian" Thecoursesurveysvariousgenresfromnorthern,eastern,western,central Olaniyan has opined that the African scholar should mobilize his reflections in response to the "substantive challenges facing Africa today: the rational mobilization of its human

and material resources and their optimum allocation to improve the quality of life of the people, and the cultivation, nurturing and solidification of formations of responsive and accountable governance. To buttress this assertion, I will trace the textual presence of African women from the representative poetic texts of male Negritude writers to the theoretical texts of African feminists, before zeroing in on *Rencontres essentielles*, *La vote du salut* and *La tache de sang*.
