Details if other :. One question we're trying to answer is, "What would happen if we released a story as an e-book only? This was longer, but very choppy. During the dark years after the War of Souls, As with part one, this doesn't feel like a complete book despite the way it's separated on Kobo and other ereaders - but as the second act of the larger story, this is much more interesting, entertaining, and satisfying than its predecessor.
